SNAP SHOT

is now accepting applications for the summer.

This is a summer employment opportunity for 16-19 year old youth who are interested in learning photography.

Snap shot introduces teens to all aspects of photography. Led by a professional photographer, the program includes visits to art galleries and museums, "photo safaris" around Boston and photographing many BCYF program activities and events across the city. The teen photographers' work will be used in BCYF publications and exhibited at events.

For more information or to submit an application, please contact Donna Reeves-Jackson at 617-635-4920 ext. 2209.
